

## **MALLORY HEART REVIEWS**

Reviews by Mallory Anne-Marie Forbes on Goodreads, Amazon, Barnes & Noble.

### **REVIEW: COOKIE'S CASE by Andy Siegel**

REVIEW: COOKIE' S CASE by Andy Siegel A really odd--bizarre--medical case elicits the attention, at a chance meeting in an exotic club three years later, of two malpractice/personal injury attorneys, and an unjustly barred neurologist. The "victim," a dancer who really does possess the proverbial "heart of gold," has been triple damaged: incompetent surgeon, incompetent lawyer, deceptive boyfriend: a real trinity of narcissistic nastiness. Start the story and immediately find yourself engrossed.
